

# Nurturing Hope: Angel Hope Rocks

Inspired by “The Kindness Rocks Project”, we want to nurture a sense of hope in our St. Michael school community.

## How to Participate:

- Step 1: Find a rock no bigger than your hand.
- Step 2: Decorate your rock using paint, crayons or glitter. Consider adding inspiring messages or words.
- Step 3: On the back of your rock write **#AngelHopeRocks**.
- Step 4: Place your rock somewhere out in the community for someone else to find.
- Step 5: If you find a rock, take a picture and share it on Twitter **@St.MichaelAngels** using **#AngelHopeRocks**.

Note: Please respect your local public health guidelines when hiding and finding rocks in the community.
